

Clinical Resource Nurse - Orthopaedic Full Time | Permanent

Kensington Private Hospital is Northlands only Private Surgical Hospital offering a wide variety of surgical specialities. We currently have five Operating Theatres, a 21 bed Inpatient Suite and have plans for further expansion.

Demand for private surgical services in Northland has grown exponentially over the past four years. In view of this, Kensington Private Hospital is expanding too.

The Clinical Resource Nurse – Orthopaedic role is a senior nursing position, working alongside the Theatre Coordinator to provide clinical support and coordinate the resources required to ensure smooth running of all our orthopaedic specialties.

At Kensington Private Hospital, we pride ourselves in offering excellent quality surgical treatment backed up with exceptional nursing care and services. We are invested on growing our team with people that have the same values and high level of patient care, teamwork and culture as we do.

This is an exciting opportunity for an experienced Registered Nurse with sound knowledge of all aspects of the operating theatre who is looking to move into a senior role.

Our ideal candidate will have:

- Significant orthopaedic experience within the operating theatre.
- Has proven ability to communicate effectively with Medical Specialists, staff at all levels and develop relevant external networks.
- Proven organisational skills with the ability to work under pressure.
- Computer literacy.
- Demonstrates ability to apply Te Tiriti o Waitangi with practice and decision-making.
- A can do attitude and a commitment to quality improvement.

We offer a professional and friendly environment, comprehensive orientation, great working conditions, opportunities for further development and Nursing Council approved PDRP.
