

Infection Prevention Coordinator

Kensington Private Hospital is Northlands only Private Surgical Hospital offering a wide variety of surgical specialities. We currently have five Operating Theatres, a 21 bed Inpatient Suite and have plans for further expansion.

Demand for private surgical services in Northland has grown exponentially over the past four years. In view of this, Kensington Private Hospital is expanding too.

We are seeking a Registered Nurse who is passionate about Infection Prevention to join our senior nursing team. This position offers 16 hours per week (0.4FTE). A job description is available on request.

Our ideal candidate will have:

- An interest and preferably a background in Infection Prevention
- Excellent communication skills
- The ability to work effectively in a multidisciplinary team
- Be able to prioritise their workload to meet set timeframes whilst working independently
- Be technology savvy and able to influence change through creative means
- Dynamically able to adapt to changing environments
- A proactive and practical personality and leading by example "Find It, Fix It" mentality.

We offer a professional and friendly environment, comprehensive orientation, great working conditions and opportunities for further development.
